Dear Mr. and Mrs. Grinde:

Re: County Highway V Name Change

We are writing to inform you that due to the US Highway 51 construction and the relocation of County Highway V off of US Highway 51, a section of the current County Highway V will have to have a name change. The section of highway where the name is changing is between US Highway 51 in the new County Highway V. I have included a map and the draft resolution for the name change for your information. The name change resolution will be considered by the Town Board at the February 2, 2012 Board meeting. If you have any questions please do not hesitate to contact me at 846-3854.
